As per IQAC meeting held on 14.10.2022. Discussion and Evaluation was done regarding the students curriculum feedback. The following points were discussed.

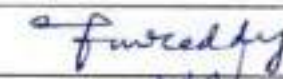

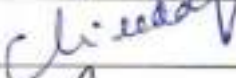

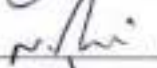

### STUDENTS FEEDBACK CURRICULUM

#### I Year BDS

From the feed back taken from the students, statistical analysis showed poor results for the physiology department. It showed that the syllabus did not enable them to improve their ability to analyze and solve the problems. Labs and experiments did not enable them to relate theory to practical

#### Action taken

- Syllabus was changed and improvised as per new advancements and enable them to improve their skills.
- They decided to arrange advanced lab equipment that enable them to relate theory to practical

## G. Pulla Reddy Dental College & Hospital, Kurnool

As per IQAC meeting held on 14.10.2022. Discussion and Evaluation was done regarding the students curriculum feedback. The following points were discussed.

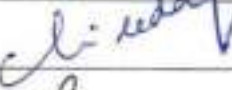

### STUDENTS FEEDBACK CURRICULUM

#### II Year BDS

From the feedback taken from the students, statistical analysis showed poor results for the pathology department. It showed that syllabus was not up to date and depth of the course content was inadequate

#### Action taken

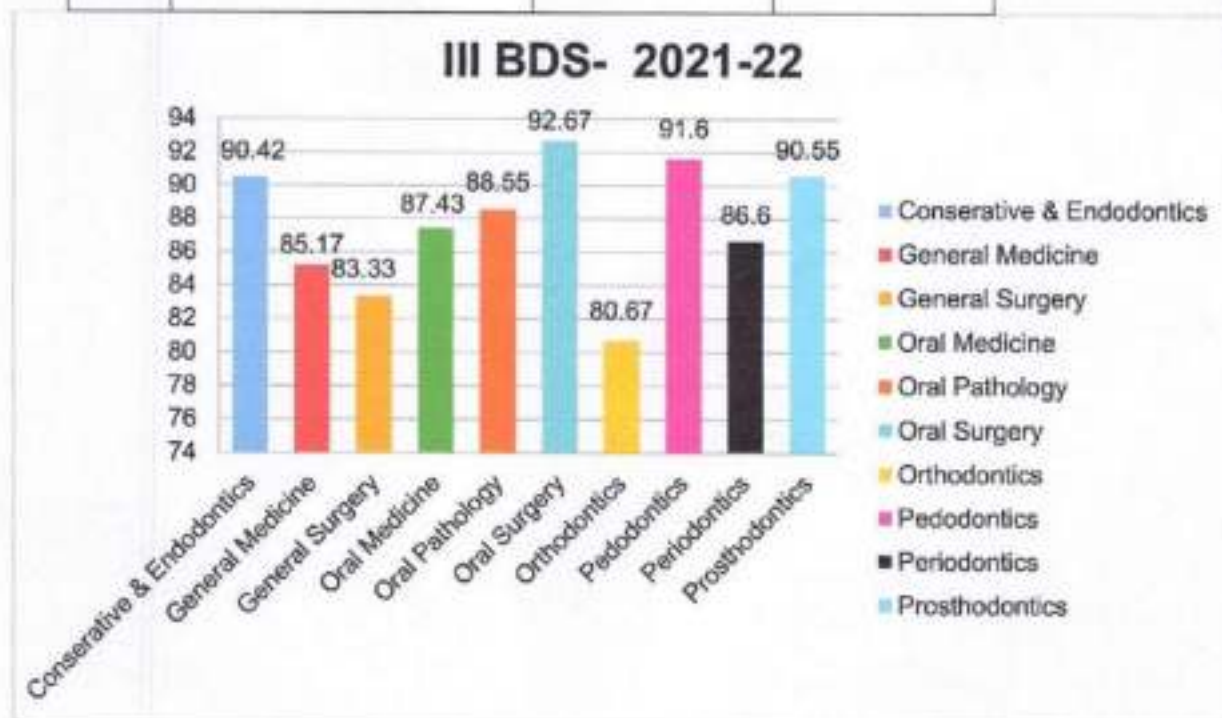

- Systematic schedule was prepared to complete the syllabus
- Extra classes were taken to complete the pending syllabus
- They decided to change and improvise the syllabus as per recent advances that enable the students to achieve expected outcome.

As per IQAC meeting held on 14.10.2022. Discussion and Evaluation was done regarding the patients feedback. The following points were discussed,

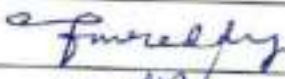

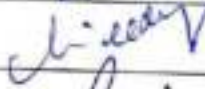

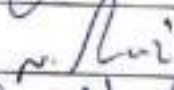

### PATIENTS FEED BACK :-

According to the statistics taken from the Patients feedback, it was known that the waiting time was more and the attitude of staff nurse and medical assistants towards them was dissatisfactory.

### Actions taken:

- Recording the time of the patient into the department and the time when the patient was out of the department was recorded on the OP card to monitor the time taken for each patient.

Counseling was given to the staff nurses and medical assistants on how to behave with patients and also to improve their communication skills
