In the above reference cited, research writing support software “Grammarly” and
Plagiarism Audit Database (M/s. Bridge People Technology Solutions Pvt. Ltd., Chennai)
(SaaS) has finalized the schedule to visit each PG Medical and Dental colleges to
sensitize the PG students on the use of Software to check plagiarism, grammar mistakes
etc..

Hence, you are requested to give wide publicity to the PG students to attend the
training programme with their Laptops and email IDs for installation. Also make sure that
some devices from colleges/library are available for the benefit of PGs who does not
possess their own devices for installation of software. Providing internet access is
necessary for all the devices.

Your co-operation will go a long way to improve the quality and content of the
thesis work.
