Nandikotkur,
29-12-2017.

This is a good awareness program especially for children. Today our children came to know how to brush and what are the techniques they should follow while cleaning the teeth. They explained well about the role of teeth to maintain the good oral health.

Finally all our children felt very happy and they came to know about dental care.

→ Thanks to the Doctors team of G. Pullareddy Dental College and hospital, Kurnool.

→ Our special thanks to Dr. G. Manjunath, ME (Dept of public health dentistry) for organising this program.

We whole heartedly thank you all of G. Pulla reddy Dental College for your participation in the 'Free dental Camp' event conducted on 6th March 2017. It was a great sight to see how unity in action without boundaries and selfishness.

They have given nice introduction to oral cavity for our students. They suggested good nutrition and diet. They included all topics like dental caries, brushing techniques good habits and bad habits. They explained the problems of using tobaccos. We keep looking forward in conducting similar camps.

Dear Sir,

It is very thankful to the management of GPR Dental Collage and Hospital who organized school dental health programme in our school, i.e. It helped the students to create awareness about oral health and prevent dental diseases since early age. Under this programme oral health checkups were conducted to the student and clarified their doubts. The staff who engaged in this programme is sincerely dedicated to their work and is very co-operative. I thank to the staff for their best services.

Thanking you,

The dental, mobile, medical camp held in our campus performed and functioned well, and a successful one. The suggestions given to the children (particular) about dental care is very valuable and useful. I am very much thankful to the mobile party and the college authorities for providing this programme.

Finally my humble suggestion is to have a usual equipment, and some medicines to serve the poor may be very useful.
